Employee Spotlight of the Month

This month we recognize certified caregiver, Adrian Chapman, who has been part of our Villas family over a year. Adrian was born in Nogales, Arizona, and relocated to our beautiful city with his family. He loves being able to lend a helping hand to our residents and he enjoys learning more about their lives and their families.

Adrian appreciates the time he spends with his own family as well. The upcoming holidays are something he looks forward to because his family traditionally gathers at his grandmother's to celebrate and eat. Some interesting facts about Adrian are that he rides a motorcycle, he models, he has a 2nd degree black belt in Taekwondo and he loves the cartoon SpongeBob! Adrian says that attending college has been one of the most influential things in his life, and he adores his 16-year-old sister, Beyoncé Ojeda.

Thank you, Adrian, for your devotion and your hard work! We appreciate you here at The Villas.

November 2019

Always Learning Keeps Life Exciting

Resident Charles Bokoskie has always had a passion for learning new things. He was born in North Platte, Nebraska, and throughout the years he continues to appreciate history, reading books, and painting. Charles also continues to have a strong interest in both science and chemistry. As a child, he dreamed of becoming an astronaut! Charles fondly remembers his early days and the special memories he shared with his devoted and loving parents.

When reflecting on his life, Charles takes pride in the fact that he always strives to do his best and it is important for him to always be kind to others. He loves to make new friends here at The Villas, and he aims to always make them smile. You can often find Charles and his buddies enjoying their favorite activities, which include painting, Zumba and our Coffee and Donut socials.
