A Lovely Lady From the Lone Star State

Resident Joan King comes to us from deep in the heart of Texas! She was born in San Antonio, where her father was an accountant and flew racing pigeons, while her mother took care of the family as a homemaker. They often enjoyed large family celebrations and gatherings, and taking family trips to the beach. Joan loved to play jacks, cards, and Dominoes. She played the bassoon, was very studious, and was a member of National Honor Society.

Later, Joan enjoyed working as the Executive Secretary for the Controller of the San Antonio Water Board. Her beautiful family includes her daughter, her 3 step-daughters and 3 step-sons. Joan says that her family, friends, and health are what matter most to her!
