Employee Spotlight of the Month

Fernando "Fernie" Bracamonte, has been part of our Villas family for 7 years now. He is an Assistant Caregiver who was born in Chandler, Arizona. He says that he loves his job, and we see that the residents love him right back! Fernie is often baking delicious treats for them, which always puts smiles on their faces.

Fernie also cherishes his family time when he is away from work. His closest family include his parents, sisters and his nieces. They all enjoy when they gather for large holiday cookouts. Fernie acquired his culinary skills from his mother when he would help her cook and bake. He spent time bonding with his father working on cars together. Fernie is also an avid distance runner, and has completed an ultra marathon at the age of 18, which included a total of 202 miles over 2 days!

We appreciate how much Fernie "runs" around here, baking sweets for our residents and tending to their needs. Thank you, Fernie!

Inspired by Loved Ones and Music

Life was always active and exciting for Jimmie Elizabeth Coopriider, growing up in Phoenix with her 3 siblings. At an early age, Jimmie discovered her passion for music and before long, she was in a band with her brother. She dreamed of becoming a successful musician, and she especially loved bass violin, clarinet, and the oboe. Jimmie and her family had always enjoyed large holiday celebrations. They always put up a big Christmas tree, and hosted Christmas and New Year's celebrations with loved ones.

Later, Jimmie realized that she also had a gift for caring for others, so she became a Certified Nursing Assistant and devoted her focus onto caring for the elderly. Nowadays, she cherishes time spent with her own family, which includes her 4 grandchildren, and her lovable cat, Annie. We are so grateful that Jimmie is part of our family and treasure our days with her!
