Employee Spotlight of the Month

For assistant caregiver Maria Eurdice Alvarez, Disneyland really is the happiest place on earth! Maria certainly loves her time here, but she adores her family time, especially when they can venture up to California to enjoy a visit to the ocean or to The Magic Kingdom. Travel has always been a great way to bond and spend time with her children, which includes her daughter, Evelyn, and her sons, Eduardo and Edgar. Maria's favorite television show is *Glee*, and she also loves to bake and she often tries new foods.

Maria has been part of our family here at The Villas for nearly a year and a half, and she says that she loves the residents and enjoys being there when they need her. Thank you, Maria, for your dedication and care for the residents, and your support to our team!

From the Water to the Desert

Before making his way to the desert here in Arizona, Roger Johnson was born in Water Valley, Mississippi. Roger loved to go boating, which was always something his family enjoyed doing together, especially around the holidays. He loved a good chuckle so he often kept his family laughing along with him. He also loved to play pickleball and tennis. As a child, Roger dreamed of becoming a professional tennis player and he continued to play tennis throughout his life; but machinery became his career. Roger's biggest love is his family which includes his wife, Sandy, and their daughter and son.

Roger keeps very active here at The Villas. He loves to garden and to dance! His favorite movies are war films, and he always enjoys a sweet, satisfying dessert. Roger aims to stay happy, healthy and live a long life!
