Employee Spotlight of the Month

Certified overnight caregiver Douglas Willison has been a part of our Villas family for almost 2 years! When asked what he loves best about his time here he says, "My residents and my fantastic co-workers! I really enjoy coming to work with the team we have in place." Douglas was born in Coldwater, Michigan and fondly remembers sharing special times with his parents who were devoted to him and his brother, Rick. The family always celebrated special occasions to the fullest. Douglas says he was always happy, outgoing, and interested in everything because he liked to learn new things.

Today, Douglas enjoys hiking with his dog, Brady, and attending concerts. A really cool fact about him is that he received his pilot's license before his driver's license at the age of 17! His family and friends are most important to him, and he wishes for good health, wealth and wisdom in life!

We appreciate your loyalty and dedication to the residents, Douglas!

September 2020

Always Shining in the Family

Gladys Stecher easily stood out in her family growing up because she was the only girl out of 9 siblings. Gladys was an outgoing child who was born in Piper City, Illinois and loved spending her days playing outside with her brothers. Her father worked as a farmer and her mother was a teacher, then later focused on family at home. Gladys herself eventually worked for the state of Illinois for 25 years as a commissary clerk inside of the prison gates.

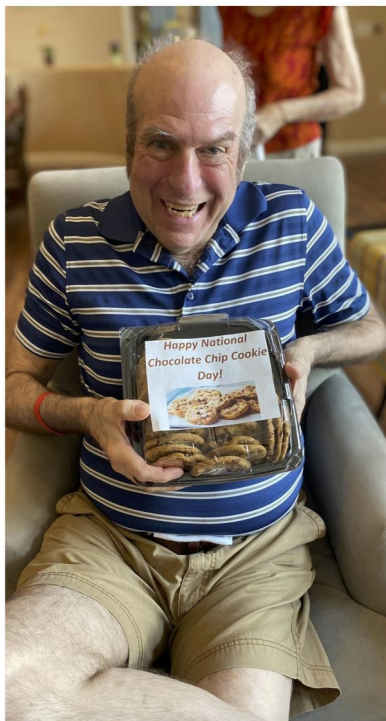

Gladys fell in love and married Charles Robert, better known as Bob, and their family includes their 5 loving children. She says that her family is what she values most in life. Gladys has always loved to read, and fiction books have always been her favorite.

We are so thankful to have Gladys in our Villas family and cherish spending our days with her!
