## Employee Spotlight of the Month

Certified Caregiver Maria Maldonado loves spending quality time with her residents. She wants them to feel loved and she enjoys preparing delicious and satisfying meals so that their time together at the table is special. A favorite activity that she loves to share with the residents is the manicures which take place on Tuesdays.

Maria adores time with her family, which includes her husband of 22 years, as well as her 2 sons, 2 daughters and 4 grandchildren. She says that she always puts her trust and faith in God, and that she aims to be a better person each and every day. She loves doing yoga, reading, going on walks and going to the movies. A fun and interesting fact about Maria is that she studied Business Administration at the University in Nogales. Thank you, Maria, for your loving nature and hard work!

## October 2020

## From the Windy City to Life in the Desert

Angela Marie Capone was born in Chicago and enjoyed her childhood in Illinois with her parents and sister, Rosemary. Angela dreamed of a career in fashion and actually studied it in New York! Her focus changed to family after marrying her love, Frank Capone. Frank's career in the produce industry was a family adventure which moved them to many cities including Fresno, CA, Pompano Beach, FL and Green Valley, AZ. As a matter of fact, their daughter Jamie was believed to be the first baby born in Green Valley! Angela and Frank were married for 62 years until his passing.

Angela never lost her love for fashion and she sewed clothes for herself and Jamie. Other hobbies included cooking and travel. Angela's family has always enjoyed large celebrations, and when her grandchildren were young, she especially loved when they dressed as pumpkins for Halloween. Family is most important to Angela. She is remarried to Rick and she has 3 grandchildren and 2 great-grandchildren.
