Employee Spotlight of the Month

Assistant Caregiver Danet Villagrana is wonderful at pampering and caring for our residents, in addition to her own incredible family. She cherishes time spent with her 2 daughters and 2 grandchildren, especially when they are able to travel over the holidays to places like the beach, Las Vegas or Kino Bay. She loves to read, do makeup, and style her hair and nails. Danet will turn 50 this year, but she feels as young as ever!

Danet has been with us for 2 years now, and she enjoys her time with the residents. She can easily put a smile on their faces and she welcomes being a part of their lives. Caring for others has always been in the cards for Danet, and she has often thought of becoming a nurse. Thank you, Danet, for your devotion to our Villas family!

A Lovely Gem in Our Neighborhood

Resident Lea Joy Klopt continues to delight in all adventures in life. She and her two sisters enjoyed their childhood in San Francisco, experiencing moments and making memories with family. Lea had a passion for travel so she naturally began her working career with United Airlines as a flight attendant, and then later as a manager in San Francisco and in Los Angeles. She later made an exciting career change and became a gemologist, working in a lab identifying various types of gems. Lea additionally taught classes on gems and also made jewelry herself. She has traveled all over the world for work to places such as Seattle, New York, Mexico City, Paris, Rome, Hong Kong, and Egypt!

While her days here at The Villas are a bit less adventurous, Lea always enjoys our daily activities, especially if the event includes singing, dancing or lively music in general. She values love, family and her health, and we all here at The Villas sincerely care for and appreciate her as our neighbor!
