Employee Spotlight of the Month

This month we recognize Vanessa Beletran, who has been here at The Villas for over 2 years. Vanessa aims to put a smile on each of her resident's faces and to brighten their days. Music always moves and motivates her, so she often sings to the residents. As a child, Vanessa dreamed of growing up to become a famous singer.

Vanessa always looks forward to this time of the year because she and her family celebrate the holidays together, and she says that Christmas has always been the most meaningful to their family. They always look through old photos, watch Christmas movies, drink coffee and enjoy the colder weather!

Vanessa's favorite activity here is **Coffee and Donut** day, which is on each Friday morning this month at 10:30. Vanessa and our staff look forward to seeing everyone there each week!

From Phoenix to the Valley

Before Emma Godinez Tabanico resided here in Green Valley, she was born just up the road in Phoenix. Emma says that she and her two sisters were all very close. It was through one of her sisters that she met her husband, William, when she was 19, and they were married at St. Anthony's Church in Phoenix. They have 4 children, daughters Gina and Roseann, and sons, David and Danny. Her husband was in the Army, and Emma worked at both Phoenix Title, and Trust of Phoenix for 26 years.

Emma loves to watch romantic movies, and she enjoys a good book. She and her family have always cherished birthdays and the holidays, especially Christmas because they appreciate being together. We look forward to celebrating Christmas with Emma and all of her fellow residents during our Christmas luncheon and during our holiday activities this month!
