## Employee Spotlight of the Month

Assistant Caregiver Blanca Romero has been here at The Villas for 10 months and says that she feels at home in this family environment because she cherishes her residents.

A few interesting facts about Blanca are that her favorite dish is a taco salad, and Dutch Brother's coffee is her top beverage choice. Also, her favorite color is pink and she enjoys having her nails done. Blanca's own family includes her 3 incredible children and her 1 grandson. This time of year is always so special to Blanca because she loves spending the holidays with family. She says that it would be a blessing to have even more grandchildren one day, and nothing makes her happier than seeing her children happy. We are so grateful to have you as our family, Blanca!

## January 2021

## Celebrating One Great Neighbor

Just last spring Linda Byrne moved into our neighborhood, and we are so delighted to share our days with her. She has always enjoyed cooking, shopping and hosting parties, so it comes as no surprise that you can always find Linda spending time with neighbors at our daily activities and events.

As we kick off 2021, Linda shares that New Year's celebrations have always been an important tradition because she has always welcomed each year with her relatives and closest friends, whom she adores. She says that she is also thankful for her health and that if she was granted one wish, it would be to travel. We raise a glass to Linda, and we love that her latest journey has brought her to reside here at The Villas!
