## Our Resident Entrepreneur

Twenty years ago Allen Pauli moved to the city of Green Valley, and he immediately became a popular and active constituent of the community. This Air Force veteran enjoyed being a member of the local aviation club, where he forged many close relationships. Allen's hobbies have always kept him busy whether he was taking dance lessons or restoring vintage European automobiles.

Allen was born in San Francisco, which is also where he met his loving wife Sam. They have 4 children, and he says that nothing is more important than his family. Throughout the years, Allen and Sam were entrepreneurs. Their family business ventures included owning a tanning salon & spa, and also a dog grooming company. Allen is still very active here, and he says that walking around our beautiful neighborhood is his favorite thing to do. He also has a sweet tooth, so he loves when the caregivers are in the kitchen serving up desserts.

## March 2021

### Employee Spotlight of the Month

Jesus Morales, better known as Jesse, has been here at The Villas for a year now, working as an assistant caregiver. Jesse loves to join his residents on walks because that time strolling with them allows him to visit and learn more about their families and lives.

Jesse always makes time for his family which includes his 6 siblings! He says that he adores his parents, and they have so many great memories from the holidays each year because they get together to watch movies and cook. Being part of a large family has made him very outgoing and extremely caring. His favorite place to grab a bite to eat is Chick-fil-A, and he likes to indulge on sweets from Insomnia Cookies. Jesse also enjoys playing basketball and video games.
