Employee Spotlight of the Month

Certified Caregiver Maria Hayes loves helping the residents and she always aims to bring them joy so that they know that they are special. She has always been nurturing by nature, which was influenced from being part of a large, loving family which includes her six sisters and her two brothers. Her parents did a wonderful job raising them all and teaching them to be self-reliant, which Maria says made her the proud, strong woman she is today. She was born in Sinaloa, Mexico on Cinco de Mayo, and her family always had the best time celebrating on her birthday. In fact, they would host huge get-togethers during all holidays and cherish their time together.

On her time off, Maria loves to dance and play sports, especially basketball. She also likes to take it easy some days while binge watching movies. If Maria had three wishes it would be to help children with special needs, to become a doctor, and to be successful. We appreciate your dedication, and in our book, you are a success!

April 2021

Last month, resident Randa Smith celebrated her birthday at The Villas.

Love and Care to All Around Her

Resident Randa Renwick Smith has a lot to celebrate these days. She recently celebrated her birthday, and in May she will be toasting 38 years of marriage to her wonderful husband, Smitty Smith. The two found love when Randa and Smitty met through a mutual friend while playing tennis. Randa has always enjoyed tennis, going to the movies, and doing Zumba, which is her favorite activity here at The Villas. Her other favorite pastime here is getting her hair and nails done.

Randa is very devoted to her family, which includes her lovely daughter, Tiffany. Not only has she cared for her family, but she has cared for many children over the years, working as a Principal at Walnut Elementary & Middle School. She was once named Principal of the Year! Randa also helped others through her church, where she taught Catechism classes and even helped to arrange funerals. She continues to show kindness to all around her and we appreciate her very much!
