Resident Philip Parker Mason is a man who continues to leave his mark through his works and achievements. Philip hails from Beverly, Massachusetts, earned a B.A. from Boston University, a Master's & Ph.D. from the University of Michigan, and he also served in the U.S. Navy. He was a distinguished professor of American History and Archival Administration at Wayne State University in Detroit. Over his 50 year tenure on campus, he founded the Walter P. Reuther Library of Labor and Urban Affairs. Oh, and did we mention that he has 8 books published?

Philip married his love, Marcia, and they have 5 children, 9 grandchildren and 6 great-grandchildren. He and Marcia founded the Eagle River Museum in Michigan. A really interesting fact is that Philip was a good friend of the famous American labor leader and civil rights activist, Cesar Chavez, and the two of them enjoyed playing handball together.
