Employee Spotlight of the Month

Before making her way to Green Valley, Assistant Caregiver Laura Berny was born in Nogales, Sonora, Mexico. Laura says that her parents were hardworking and very loving. She still enjoys thinking about how her family would always get together for holidays and make lots of food, while spending quality time together. Laura says that as a child, she wanted to become a ballerina when she grew up.

When she isn't here providing care to our residents, Laura always makes time for her son and daughter, who both live in Phoenix. She loves to visit them and spend time with her 3 amazing grandchildren. Laura also enjoys dancing and shopping. Laura says that she loves absolutely everything about her job, and we want to say "Thanks!" for her kindness and dedication to our residents.

Residing in the Hearts of Many

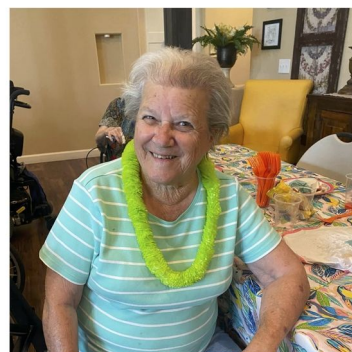

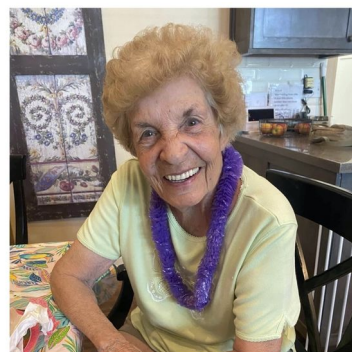

It has been over a year since resident Dolores White moved into our neighborhood, and we couldn't be more delighted to spend our days with her! Dolores was born in Illinois, but definitely enjoys life in the desert. She and her late husband, David, were married for 65 incredible years, and she says that he was absolutely the best husband and father! Dolores cherishes her family, which includes her 6 grandchildren and 3 great-grandchildren, and she continues to enjoy every moment with her loved ones.

Dolores stays active here at The Villas, and she has always been a busy bee! Her hobbies have included sewing, genealogy, creating photo books and baking. She especially loved baking her famous 7 layer cookies for her family. An interesting fact about Dolores is that she previously worked at a Hallmark Shop, and was able to pick out and gift collectable ornaments for her grandchildren each year.
