Delighting All in the Neighborhood

Adeline Kovaleski, better known as "Addie", was born in Caspian, Michigan, in an area known as Iron Country. Her father worked for the railroad and the mine, while her mother cared for the family, which included her 5 sisters and 2 brothers. Addie and her family were all very close. Addie dreamed of becoming a hairdresser, so she and her sister opened up a beauty salon which Addie eventually took over. One day at a chance meeting at a restaurant, Addie says she experienced love at first sight! She met, then married Anthony and they started a beautiful family of their own. Her children, Tony, Tina and Ziggy, are what she cherishes most in her life.

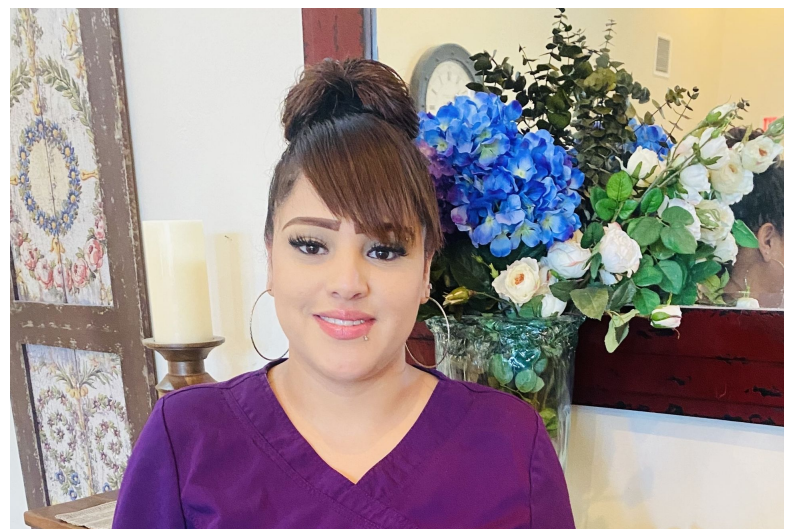

Addie has lived in Green Valley for over 20 years now, and she worked at Denny's as a hostess for 15 years. Now, she enjoys her days here at The Villas, where she loves to sing, dance, and be around others. She especially enjoys all of our live music events and Donut Day. Addie is incredibly kind and puts a smile on the face of all of those around her. We are so delighted to spend our days with Addie!

Employee Spotlight of the Month

Izis Anai Mendoza has always been compassionate and she always envisioned herself caring for others. Though she was shy as a child, she dreamed of making a difference by working with children or within healthcare. Izis loves to lend a helping hand to our residents and she always aims to go above and beyond by noticing the little details that are important to all of our neighbors. She probably learned a lot about the needs of others from her mother, who is also an assistant caregiver here at The Villas.

Izis was born in Tucson, and has 2 brothers and 1 sister. Her father lives in Phoenix and works at the Talking Stick Resort. Izis has a 14-year-old son, Anthony, who is on the football team at Sunnyside High School. Needless to say, she is his biggest fan! Some interesting facts about her are that she loves to go to the movies, and her favorite movie is "Bumble Bee". Thank you, Izis, for your devotion to our residents!
