Employee Spotlight of the Month

From his early days here in Arizona, Juan Pablo Trujillo has been known to be funny, outgoing and smart! He was born in Tucson, and as a child, he dreamed of becoming an attorney before deciding to devote his time to assisting others as a Certified Caregiver. Juan has been with our Villas family for 5 years and here at Green Valley for a year. Juan says he especially loves doing the daily activities alongside of residents and says that their time together melts his heart.

Juan's free time is most often spent making memories and sharing moments with his children: 2 sons and 2 daughters. As a family, they enjoy trips to the mall and to the movies or attending sports such as his oldest son's jujitsu and his oldest daughter's softball games. Juan says that what he wishes most for his children is that they are happy and healthy and have a successful life!

Motivated by Family And Music

Angel Blanco Jr. is incredibly proud of his hardworking and nurturing family. He was born in Las Cruces, New Mexico, and is the oldest of 4 children. His grandfather, Angel Blanco Sr., worked in the fields and on a farm, and his grandmother, Monica, oversaw the home and children. "Tata" and "Nana" eventually settled in El Paso, TX, where Angel's father purchased land and a home for his family to always come back to.

Music was and continues to be a big part of Angel's life. He received a full scholarship to attend UTEP in El Paso to become a music conductor but was drafted during the Vietnam War. He served in the Army, was injured in the line of duty, and was honorably discharged. Once back home, his passion for music continued, and he performed and toured with a band. Besides music, Angel has always loved working with his hands and his last job was in maintenance at the Vail School District. His family means the world to him, and Angel says he wishes that his parents were still here to enjoy their grandchildren and great-grandchildren.
