Employee Spotlight of the Month

Assistant Caregiver Tere Rosas has always had a passion for nurturing others. When she was young, she dreamed of becoming a nurse so she is grateful that her job allows her to spend time helping the residents. Tere has been with The Villas for 5 years, and here at our Green Valley neighborhood for the last year.

Tere is so thankful for her family, which includes her 3 children; 2 sons and a daughter. She is so appreciative of any occasion spent with her family because that time with them is always so special. Tere was born in Mexico and hopes to visit with her family there more often. A couple of other interesting facts about Tere are that she loves to read books, take care of her health, and do her nails.

Thank you Tere for your devotion to our residents! We appreciate your dedication!

At Home on the Range at the Villas

Alejandro Terriquez was born in Sinaloa, which is a coastal state located in Northwestern Mexico. The economy in Sinaloa is primarily based on agriculture and livestock, and that had a large influence on his life. Alejandro worked as a rancher and became a very well-known bull rider. He loved riding horses and his favorite movies are still westerns.

A simple visit to the supermarket was life changing for Alejandro when he experienced love at first sight. It was there he met and later married Maria, his wife of 60 years. They have 6 children and 15 grandchildren. Family and traditions have always been so important to Alejandro, and he fondly remembers from his childhood that Mondays were always "soup" days at his grandfather's home, which is why soup is still his favorite food. Alejandro says that family and animals are what he has come to value most in his life.
