Employee Spotlight of the Month

Certified Caregiver Robert Carrillo is a Tucson native and has been with The Villas for nearly 5 years. Robert says that he most appreciates being able to make a difference in our residents' lives. His decision to become a caregiver was influenced by his mother, who is a nurse. Robert was also cheered on and supported by his cousins to follow this career path. With all of this family support, it is no surprise that Robert's family and friends are most important in his life. He is extremely excited these days because along with his 2 nieces and 2 nephews, there is another baby niece or nephew on the way!

Robert is a truck fanatic and he drives a Chevy Silverado. Robert stays fit by lifting weights, and he enjoys target shooting. His favorite book is *The Martian*, and his top film choice is *Spider-Man, No Way Home*. Be sure to say 'Hello!' to Robert and his residents next time you are over in Villa E!

Music, Art and Donuts Keep Her Smiling!

LaVay Hiber, who recently celebrated her birthday last month, was born in Kingsville, which is located in south Texas. LaVay was named after her grandpa and grandma, and she says it is such an honor to share in their name. LaVay adores her family which includes her two children, a son and a daughter, and her five fabulous grandchildren.

There are so many interesting things to know about LaVay! She says that she is an overall happy person, and she loves to dance and sing. Her taste of music spans a wide range which includes rap, country, pop, and most music from the '80s. Her absolute favorite song is *Purple Rain* by Prince. She enjoys both scary and romance movies, and she loves to draw in her free time. When it comes to food, her top cuisine choice is Chinese food, and she loves the color green. LaVay's favorite activity here at The Villas is creative art, and she also loves Fridays because it's *Coffee and Donut* day, so join her for java & donuts!
