## Employee Spotlight of the Month

Certified caregiver Maria Para, originally born in Mexico, happened upon the love of her life at a picnic over 40 years ago. There she met her husband, Ramon, whom she dated for 4 years before they wed. Maria and Ramon have been married for 38 years now, and have a son and two granddaughters. Maria loves spending time with her grandchildren, especially taking them out to eat.

Maria has been working here at The Villas for 3 years, and she says that having a clean environment is very important to her. She says that she dearly cares for her residents and it is important to her that they know how special they are and that they are loved. Maria is always bright and friendly, and she loves to converse with the residents, learning more about their life. She is hardworking, and she loves to cook and clean in her Villa. We are so thankful to have Maria as part of our family!

## June 2022

### Always Upbeat and Moved by the Beat

Candace Eileen Holt, or "Candy," as she is known here in the neighborhood, finds her motivation in music and with a positive attitude. Candy says that the musical events we host are her favorite activities to attend, and she really enjoys watching motivational religious speakers. Some of Candy's most fond memories are related to music, such as the time her daughter Nicole Amee took her to see Barry Manilow!

Previously, Candy dedicated her career to the rehabilitation of others, working 21 years at a methadone clinic. Now here at The Villas, she is able to enjoy time doing some of her favorite things, which include puzzles, manicures, and reading. Candy says that she considers herself a "saladaholic" because she just loves salads so much! Other fun facts about Candy are that the movie "The Way We Were" is her all time top film choice, and that she loves ice cream and the color blue.
