Employee Spotlight of the Month

Certified lead caregiver Blanca Haydee Siqueiros was born in Nogales, Sonora, Mexico, and she has been here at The Villas for over 4.5 years. Blanca says, "I chose this job because I love to help people. I love taking care of each of my residents". Blanca is always willing to make every effort or do whatever it takes to ensure that her residents are happy. Caregiving is a family affair for Blanca, because her sister is also an assistant caregiver here in our neighborhood.

Blanca is very close to her family. She has one child, Omar, and she enjoys traveling with her parents to visit other family members whenever she gets the opportunity. Blanca loves to dance and listen to music, she enjoys coffee, shopping, and doing her nails and hair. If she had one wish, it is for her son to attend and have success in college.

Thank you Blanca for your dedication to your job and to our residents!

Always Active and Social at the Villas

Deanna Martin, better known as "Dee", was born in Sacramento, California. She comes from a close family, and she says that her sister, Patricia, is her best friend. Dee was married to her late husband Jerry for 23 years, and says that he was the love of her life! They have 2 sons, 2 granddaughters and 1 grandson, who all mean the world to her.

Dee is very social here at The Villas. Her favorite activity is creative art in our Art Studio, and her top choice for socials is *Coffee and Donuts*. Dee says she loves living here because "it is safe and the people are very nice". Dee likes to make friends, which is no surprise because she is so easy to talk to. She loves getting her hair done every Friday, and she enjoys going to the *White Elephant* to shop. Her favorite colors are lavender and black. Be sure to spend time with Dee at the next Coffee and Donuts social!
