Employee Spotlight of the Month

Activities Director Alyssa Marie Romo was born in Phoenix but grew up in Tucson. She began working as an assistant caregiver in Villa F, before moving into her current role which has her heading up and organizing all of the fun around here. She has been with the Villas for nearly 5 years and says that she loves being able to bring joy and excitement to the residents through our daily activities.

Alyssa and her partner, Roque, have been together for 8 years and they love spending time together with their son, Roque Antonio Jr. Alyssa adores her family, which includes her 4 siblings on her mother's side of the family, and 6 more siblings on her father's side. She also has a total of 15 nieces and nephews! Alyssa says that nothing is more important to her than her son, her family and her health. Some fun facts about Alyssa include that she loves Starbucks, shopping at Target, going to the movies and she likes to cook.

Sodas, Sewing and More With Sally!

Back in the day, your neighborhood Walgreens store was quite different and very social. Resident Sally Six worked at a Walgreens soda fountain, serving up milkshakes to the customers. This position was known as a "soda jerk". Sally also worked in a courthouse before she married her college sweetheart and late husband, Thomas James Six. They were married for nearly 62 years! Sally became a stay at home mom and was involved with school and church, and she always hosted fun birthday parties for her 3 children! Sally and Thomas loved to travel to exciting destinations including Hawaii, Alaska and Ireland. Sally has always loved to sew and was once in a bowling league with all her friends. She has always enjoyed being with people and she remains very active in our neighborhood. Sally says she especially loves Zumba, so be sure to join her at Zumba on Tuesdays this month at 2:00 PM.
