Employee Spotlight of the Month

Get to know one of our newest members of The Villas family, Tiffany Ford! Tiffany started working here two months ago and is already making an impact in her role as Admissions Coordinator. Her job is an essential bridge between families and our neighborhood. She is the liaison for families when they first tour, and she continues that relationship, assisting families with paperwork and getting our residents all settled in. Tiffany says that it is important for her to be able to make a difference in someone's life, especially when things can be stressful during a transition.

Tiffany likes to stay active on her time off, spending time with family and playing kickball. She hopes to travel more in the future because she dreams of visiting places around the world. We are so thankful to have Tiffany as a member of our Villas team!

Active in Art & Pretty as a Picture

Josefa Para was born in Mexico, and later lived in California. She cherishes her family which includes her 2 daughters and her son, her 11 grandchildren, and her 8 siblings! In her younger days, Josefa had worked at the JM Smucker Company in Watsonville, California, which is famous for their jams and jellies. Much of Josefa's family still resides in California, with some also living in Nogales, Arizona.

There is no slowing Josefa down. She loves to knit and she enjoys going to Zumba here at The Villas. You can always catch her at the Coffee and Donuts socials, and she especially likes doing crafts and painting with her fellow residents. Josefa always attends our parties and socials, and she loves having her nails done every Tuesday. Be sure to spend some quality time with Josefa at our next social event!
