Employee Spotlight of the Month

Katelyn Christine Ramirez was inspired at an early age to become a certified caregiver. After visiting her mother who was working as a certified nursing assistant in a care facility, Katelyn realized that she wanted to also help support others. Katelyn was born in Tucson, and has been with The Villas for nearly a year. She says that she would like to continue her education one day and become a nursing infomatic, which is a registered nurse position that applies a combined knowledge of nursing, communications, computer science, and information science.

Katelyn and her boyfriend of two years love spending time together with their 1-year-old son. She also enjoys getting together with her family, which includes her grandmother and her siblings. Katelyn's favorite meal is tacos, and she is fond of the color purple. When asked what makes her most successful in life, Katelyn says she thrives on positivity and motivation.

Teaching A Love for Life and Others

Resident Marion Rossitter was born in Shreveport, Louisiana, and he has always been an outgoing person who leads others. When he was younger and serving as a pastor, he met and fell in love with the organist at the church, Connie. They were soon married but tragedy struck when his wife and daughter passed away. They were survived by Marion and their son. Throughout his career, Marion continued to instruct others, but later in the classroom. He taught philosophy and religion at Santa Cruz County Community College, and he was a teacher at Nogales High School for 12 years, where he taught geometry and algebra.

Marion shares that humility and integrity are important to him, and that he focuses his life on love and health. Here at The Villas he appreciates when others visit him, and he enjoys being out at the dining table with all the other residents. Marion loves to spend time writing, reading, listening to mariachi music, and simply loving life.
