## Employee Spotlight of the Month

Certified caregiver, Beyonce Ojeda, is quite the achiever! She is 19 years old and graduated early from high school. Originally from Nogales, she is currently a sophomore at Pima Community College and will be attending the University of Arizona in 2023, where she will pursue a career in the medical field. Beyonce says she enjoys taking care of others and gaining experience while working closely with them. She credits her brother, Adrian, who is also a caregiver here at The Villas, as being her biggest role model, along with her mother, who taught her to be a strong, independent woman. Beyonce says that both of her parents were caring, hardworking and always went above and beyond for her brother and herself.

In her free time, Beyonce loves scary movies, watching Netflix shows with her boyfriend, and off-roading on her ATV. She also loves to spend time with her "fur babies," which are Nova, a Doberman Pinscher, and Zeldris, a domestic short-haired cat.

## December 2022

## Delightfully Residing in the Neighborhood

You can always find Joyce Helen Bartch smiling and enjoying time with fellow residents. Joyce says, "The staff and the great people that I've met make my days special here." She says that her favorite activities are the manicures and the Coffee and Donut socials. Joyce says, "I'm as happy as I can possibly be," and that she loves her family and her life.

Joyce recently celebrated her birthday, is originally from Saint Cloud, Minnesota, and was married twice. She was married to her first husband, J. Patrick Hart, for 8 years, and Joyce and her late husband, LeRoy Bartch, were married for 12. Joyce's favorite dessert is yellow cake with chocolate frosting and she loves all Italian food. Joyce says that she appreciates all of the many things she has learned along the way, and that she has never minded getting older because she doesn't have to work anymore. The best advice Joyce has received and she shares with others is to just be yourself!
