Employee Spotlight of the Month

Certified caregiver Melca McIntyre is one of our newer staff members, but she has over 8 years of experience. Melca attributes her Philippine heritage for her calling to this career and says, "The Philippine people are devoted to caring for others, especially the elderly." Melca also credits the inspiration for her successes in life to her family, especially her children who are her greatest joy. Melca says that she and Mark, her husband of 4 years, share in each other's success with common interests and goals. They have 3 children, including Malaya, who Melca adopted as a single parent when she was living in the Philippines, and their 2 sons, Mark William and Denison, or "Denny."

Melca loves to travel with her family, noting that Colorado and California are favorite destinations because of their beautiful landscape. She also loves gardening, riding motorcycles and home improvement projects. Melca says she loves all kinds of food, especially her husband's cooking, and says that her co-workers, Amber, Isela and Maria, also make some pretty awesome food!

Keeping His Fellow Residents Smiling

Jim Gray is not one to sit around and let a fun time pass by! Jim, who was born in St. Ann, Illinois, has always been active with work, family and friends, cherishing his time with all. He loved playing softball in his youth and he worked in the printing business for many years. Jim most enjoys time with family, which includes his 4 children, Mike, Mark, Dan and Tim, and his favorite role is being Grandpa Jim to his 6 grandchildren and 2 great-grandchildren.

Jim is often the life of the party at our events and he always puts a smile on everyone's face! Jim says that he was never much of a dancer, but now he really enjoys keeping the beat at our music activities and making friends at our happy hour. Jim loves to take morning and afternoon strolls daily in our neighborhood, playing board games, such as Scrabble, and playing cards. His favorite food is pizza and he has a soft spot for chocolate.
