## Employee Spotlight of the Month

Assistant Caregiver Lourdes Preciado, also known as Lou Lou, has been with our Villas family for over a year, and she says that many special friendships have been formed with coworkers over that time. She learned of the job from her cousin who was working at The Villas. Lourdes says that her coworkers make this position so meaningful. The Coffee & Donut socials are by far her favorite activity to spend time with the residents and fellow staff.

Lourdes was born in Nogales, Sonora, Mexico, and is most grateful when she is with her children, her 8 year old son and 14 year old daughter. She credits them as the drive for her success so that she can provide them the very best. Lourdes is a creative person who likes to spend time out of town with her family. She enjoys working out and shopping, she loves the color pink, and when it comes to her top choice for cuisine, both Italian and Mexican food are her favorite. Thank you for being a great coworker and nurturer to our residents Lourdes!

### A Builder and a Dedicated Leader

Villas resident Charles Danny Bugh was born and raised right up the road in Phoenix. For around 30 years, Charles worked as a civil engineer for the city of Phoenix, which included work on runways and hangers at the airport. His job also included global travel in the late 1970s when he worked in Saudi Arabia. His loving family includes his 3 children, 5 grandchildren and 2 great-grandchildren. Charles has been a long time member of the American Legion Post 41. In fact, he was Post 41's Commander for two years and Arizona State Commander for one year in 2015. His main hobbies have included helping veterans get help with the VA, and through the American Legion. Charles says that he loves just about all of our activities and events, and his favorite part of the day is stepping out of his room each morning to get the day started! Make time in your schedule to visit with Charles to learn more about his exciting life.
