## Employee Spotlight of the Month

Certified caregiver Mercedes Castro appreciates her time with staff and residents at The Villas. She says she most enjoys breakfast time with the residents because she can see faces light up to start the day. "We see it every day with our residents when they wait for us to arrive and are ready to greet us with a big hug. Their love is unconditional." Mercedes has a long career of caring for others. She worked with children with special needs and later she was the director of a domestic violence shelter. When the shelter closed its doors, she shifted to assisted living after having experience from caring for her grandfather and parents. Also, Mercedes' oldest daughter has cerebral palsy and autism, so she says "being a caregiver came naturally to me".

Mercedes says that family is what makes her so successful. She has 3 children; Dulce, Ricardo and Barbara. Her family also includes her son-in-law Andy, daughter-in-law Elizabeth, and 3 grandchildren: Rafael, Diego and Shyla. Mercedes loves dancing, taking beach vacations and going to the movies. Thank you Mercedes for being so devoted to all!

## August 2023

## Resident Feature

While growing up, Sierra Vista, Arizona was home to resident Daniel Peterson before he made his way here to Green Valley. Back in the day, Daniel enjoyed riding motorcycles and listening to Elvis Presley. He still loves listening to music, although he prefers soft rock these days. Daniel worked as an air conditioning technician for many years. Anyone who knows him agrees that he is very caring, patient, and loving. Daniel's advice is to always be kind, which is something he practices because you can often find him giving a helping hand to his neighbors.

Daniel's favorite activities at The Villas are BINGO and our Coffee & Donut Socials, and he loves watching movies and going for walks. The staff appreciates that he often provides assistance, helping us grill, so it comes as no surprise that his favorite foods are burgers and hot dogs. Be sure to chat with Daniel at BINGO or our next grilling event to learn more about this fun and active resident!
