Employee Spotlight of the Month

Assistant caregiver Xaviera Leyva was born in Tucson and has been working here at The Villas for over 8 months. Xaviera learned about a career opportunity at The Villas from her two aunts who both work here as well! She says that after seeing what a difference her aunts have made in the lives of others, she too became very interested in working in health care. Xaviera is bilingual and she enjoys being able to speak with the residents in two languages. Xaviera says, "I learn something new every day, and I love giving the residents love and joy." Her favorite activity on our calendar is the Coffee and Donuts Social, which allows for quality time with her residents. She contributes her success to having goals and treating others with respect, even on a bad day.

Xaviera's hobbies include spending time with her boyfriend, watching Netflix series, and hanging out with family. Both green and white are her favorite colors, she loves sushi, and she says that her best attributes are that she is both patient and brave.

All Things Sweet at the Villas

Villas resident Lorenzo Teso loves to stay active and spend time with fellow residents. This Arizona native has been living here in the neighborhood for a year, and shares that he is very family oriented. Lorenzo appreciates spending time with his fellow residents at daily events or just hanging out while watching television. When asked which event he likes most, Lorenzo said that the Coffee & Donuts Social is always a top pick, along with the Ice Cream Socials. Lorenzo admits that he has quite the sweet tooth, most often craving cookies. He balances out the sweets with his passion for spicy foods.

You can always find Lorenzo getting in shape at our weekly Zumba class, and he also enjoys spending time around the garden because gardening has been one of his favorite hobbies. Be sure to get moving with Lorenzo at Zumba this month, or spend some quality time at the Coffee & Donut Social!
