## Employee Spotlight of the Month

Assistant caregiver Artemisia Lin, lovingly known as "Ana", has always had a passion for helping others. This Tucson native has been here at The Villas for over four months but is already making an impression with her hard work and dedication. Ana always keeps her residents in Villa H engaged by playing board games with them or joining them for an afternoon stroll. Ana says that she takes comfort in knowing that she can help bring joy, support, and companionship to their days.

Ana is most thankful for her loving family, which includes her four daughters, her son, and her seven beautiful grandchildren! A couple of fun facts about Ana include that she loves Mexican food and her favorite color is red. Looking forward, Ana hopes to have lots of travel opportunities in the future.

We thank you Ana for your commitment and care to our residents!

## Kind and Caring in the Neighborhood

Villas resident Sherry Vernell Ord was born in Virginia and has always enjoyed traveling and being active. Swimming has always been one of Sherry's favorite hobbies and she still enjoys dancing, especially to country music, which is her favorite music genre. Here at The Villas, she cherishes spending time with her neighbor Cheryl. They both love sitting outside together and sharing stories about their lives. Sherry says that she loves the caregivers in her Villa and that they take really good care of her.

Nothing is more important to Sherry than her loving family, which includes her four children, Kelly, Lindsey, Brianna and Adam, and her six grandchildren. A few things you may not know about Sherry are that she loves pizza, coffee, and the color green. Also, her friends affectionately call her "Sherry Berry". Sherry is always so appreciative of those in her life and says, "I feel blessed to wake up every day and learn something new". We are overjoyed to spend our days with Sherry!
