## Employee Spotlight of the Month

Certified caregiver Veronica Yepiz is one of our newest staff members at The Villas, and was drawn to this career and community because of the genuine care and compassion shown toward the residents and fellow staff. "Vero" says that it feels like being at home, caring for a loved one, and creating a warm, familial environment. Vero shares that this is key to ensuring our residents truly experience life here. Her outgoing and friendly nature shines through in her interactions with everyone around her. Vero particularly enjoys engaging in one-on-one visits with the residents, forging meaningful connections, and she also enjoys lending her creative touch to decorating our neighborhood for various events and holidays.

Vero was born in Nogales, Arizona and adores her family more than anything. She has three children, Paola, Alex, and Frankie, and she has a 2-year-old granddaughter named Kamilah. Vero says that her family and this job are what make her feel most successful in life!

## Living Life to the Her Fullest at The Villas

Constance Glover, affectionately known as Connie, has a vibrant spirit that brightens every room she enters. Born in California City, Connie's youthful days were filled with many activities such as dancing and the occasional tinkering with cars, but it was gardening that truly captured her heart. Her love for cultivating life in the soil reflects her deep-rooted desire to enjoy life to the fullest, surrounded by friends and family.

Now a cherished resident at The Villas, Connie's kindness radiates through her warm smile, bringing joy to everyone around her. She cherishes her moments of relaxation on the patio while basking in the lovely view. Connie's affection extends to the staff and fellow residents whom she holds dear. Her favorite color, teal, mirrors her lively personality, and she delights in simple pleasures. She shares that her favorite meal is meatloaf and she loves cheesecake! Connie aims every day to make a connection, and to find the beauty in all moments.
