Employee Spotlight of the Month

Catherine "Cassie" Lewis began her career at The Villas in January after searching for work close to her mother's house and happened upon an opening here. Cassie, originally from Torrance, CA, enjoys working one-on-one with residents, and getting to know them and their families. She adores her own family which includes her daughter, Brandy, a son, Ronald, and five incredible grandchildren. Cassie's goals include spending more time with family and traveling with them to explore the beauty of the country. She says her priorities include focusing on healthy eating and planning financially for the future.

Cassie used to be a truck driver as both an owner and operator for 11 years, driving coast to coast alone until a rare eye condition, ocular histoplasmosis, caused blindness in her right eye. Through prayer and faith, Cassie found her new opportunity in caregiving and says, "The Lord needed to throw it in my lap, and this career was put in my path. I feel it's my calling and that's why I do what I do!".

Resident With a Zest for Everything!

Timothy Capaldi continues to enjoy his days to the fullest. Tim was born in Encino, California, and worked as an aircraft technician for 45 years right out of high school. As the middle child between his two brothers, Michael and Karey, Tim has always been surrounded by family, including his two dogs, Gimli and Bailey. With a passion for rock music in his younger days, Tim played the guitar as a hobby and spent weekends racing dirt bikes and four wheelers in the California desert with friends. They called themselves "the desert dilemmas." A lover of Italian food, especially ravioli, and a fan of the color green, Tim describes himself as a stubborn competitor but also very loving and caring.

At The Villas, Tim's favorite activity is Coffee & Donuts, and he says he was very impressed by a belly dancer's recent performance. He also enjoys pet therapy sessions with Winnie and Wilson on Tuesdays and Fridays. Tim says that he loves living at The Villas because he feels very welcome, he appreciates the staff, and relishes time spent with his neighbors.
