Employee Spotlight of the Month

Our dedicated staff member, Abby Jordan, is a Tucson native and devoted single mother to three children: Mackenzie, 23; Madison, 18; and Mason, 16. Abby has been part of our Villas family for a year, working as both a certified caregiver and working security detail at times. She says that she is driven by her deep love for the elderly and a desire to bring joy to their lives. Abby embraces both roles here at work but finds the greatest fulfillment in her job by helping those who need it most.

Abby attributes her overall success in life to maintaining a positive attitude and striving to improve every day! When she is enjoying time to herself, Abby's hobbies include playing the piano and riding her ATV. She has a deep appreciation for nature, and her favorite color is green. An interesting fact about Abby is that she has owned and operated her own pet grooming business for 10 years.

Loving and Living His Best Life

Larry Reis, a resident of The Villas, grew up in Wyoming and spent his entire career as a television engineer, working behind the scenes at local Colorado TV stations. Larry and his wife, Cynthia, have been happily married for 32 wonderful years. They met through mutual friends who suggested they get to know each other, and they've been inseparable ever since. Larry has always been attentive and adventurous, and he remembers teaching Cynthia how to dance. The couple have enjoyed many country dancing nights, sharing a special bond. Together, Larry and Cynthia have embarked on numerous bicycling trips, exploring Canada, the Rocky Mountains in Colorado, Utah, and Washington. The biggest joy in their lives comes from their family, which includes their three children and five great-grandchildren. Larry always has a smile on his face and loves participating in activities at The Villas, with his favorite being Coffee and Donuts.
