## Employee Spotlight of the Month

Certified caregiver America Evans joined The Villas just this past fall, drawn in by the chance to work alongside her two childhood friends. Her admiration for her residents shines through as she describes them as “absolutely adorable and amazing people.” For America, success is all about happiness, and with a positive outlook and fantastic people surrounding her, she feels there’s nothing better.

A California native, America has plenty of exciting, fun facts to share. Her favorite colors are black & white, which she loves for their versatility, and her first and primary language is sign language. She has a ball python and a cat, and her middle name is Star. Her siblings’ names are just as unique—Ocean and Arizona. If she had three wishes, she’d wish to be immune to the cold, meet Anne Hathaway, and visit the clearest, most beautiful beaches! Her favorite hobbies include watching shows, building Legos, and going on hikes. America has brought her positivity and sense of wonder to The Villas, and she adds something special to her residents’ lives every day.

## December 2024

Resident Ruperto DelAngel Garcia during his time employed at Safeway

## Meet One of Our Newest Residents!

Say hello to Ruperto DelAngel Garcia! Ruperto worked at the Green Valley Safeway for 24 years, commuting a 28-mile round trip. Over the years, he built strong connections with the community, earning the respect and affection of both colleagues and customers. His long tenure at Safeway reflects his dedication and the relationships he cultivated. These bonds became especially meaningful when he was tragically struck by a car, resulting in lifelong injuries. In response to his injury, the community came together to offer support, helping him navigate his transition into a new normal. Their collective care and dedication played a pivotal role in his recovery.

Despite this challenging accident, Ruperto’s kind and patient spirit continue to shine through. He maintains a positive outlook on his future, and he says he places a strong sense of trust in God and his faith. Here at The Villas, he is making many new friends and he especially looks forward to enjoying his weekly carrot cake. Be sure to spend time getting to know our kind resident, Ruperto!
