Employee Spotlight of the Month

Carly Hill, born in Memphis, Tennessee, joined The Villas last October, bringing with her a natural talent for caregiving. Inspired by cherished memories of visiting her great-grandmother in a nursing home, Carly found her passion in helping others. She takes pride in bringing smiles and joy to the residents, especially on their harder days, and her dedication shines through in every interaction.

Carly's greatest motivation is her son, Rylan. Her drive to provide him with the best childhood and a bright future fuels her success. When she's not at work, Carly enjoys cooking and going to the movies with Rylan, creating special memories together. An adventurous spirit, Carly lived in Alaska for three years and she is also a licensed esthetician, adding another layer of skill to her caring nature. With blue as her favorite color and a love for hot wings, Carly's warmth and enthusiasm make her an invaluable part of The Villas family.

A Life of Love and Adventure

Rodney Paden, born in Lewistown, Pennsylvania, has led a life full of unique experiences and joyful moments. As a child, Rodney and his mother, Patricia, spent months at a time in Aruba, where he grew to love the ocean. His adventures didn't stop there—he traveled to Europe, exploring Germany, Amsterdam, and England. Rodney also attended a private military school in Virginia and later studied at Juniata College. An interesting part of his journey includes working in a nursing home for 5 years, which deepened his appreciation for care and compassion.

A man of many interests, Rodney enjoys football, arts and crafts, and music, with a special love for soft rock. Here at The Villas, he finds joy in attending BINGO and at our coffee and donuts socials. Rodney's warm and cheerful nature is contagious—he's always happy and full of life. He treasures dining out with his mother and cherishes the time they spend together. Rodney's positivity and zest for life make him a beloved part of The Villas community.
