## Employee Spotlight of the Month

Isaac Acosta was born in Nogales, Arizona, and he has been part of The Villas family for the past 8 months, bringing with him a caring spirit inspired by his mother. After watching her dedicate herself to caring for others, it sparked Isaac's own interest in the field leading him to embrace the opportunity to help those in need.

Isaac says he finds joy in the heartfelt environment at The Villas and he values the camaraderie among his coworkers. He credits his positive mindset and daily effort to improve as keys to his success in life.

When he is not at work, Isaac enjoys staying active by going to the gym, working on cars, and taking walks with his dogs. His favorite color is black, and when it comes to food, he can never resist a plate of ribs or a hearty steak. Whether at work or play, Isaac keeps a positive attitude and supports those around him.

## April 2025

### From Globetrotter to Local Resident

Stephen North has shared 55 wonderful years of marriage with his wife, Dorothy, and will celebrate their next anniversary on September 6th. Together, they have raised two children, Katy and Tom, and now enjoy the company of four grandchildren, two of whom are freshmen at the University of Arizona.

Originally from England, Stephen's career in international public affairs took him across Africa and Europe. After retiring from Chevron, he opened a sporting goods store focused on kids' team sports and even designed children's playgrounds.

Stephen has always loved soccer, cheering on his favorite team, Notts County FC, in Nottingham, England. He has also enjoyed golf, tennis, photography, and dancing. In 2018, he and Dorothy moved from California to Green Valley, Arizona, where they've found a place they love to call home and we are delighted to have him as a neighbor!
