## Employee Spotlight of the Month

Gwen Lind's heart for caregiving started long before it became her profession — it was simply part of her upbringing. With a mother who worked as a caregiver, Gwen spent much of her childhood in nursing homes, playing cards, watching game shows, and soaking up the wisdom of the residents around her. She was raised to respect and care for her elders, a lesson that stuck with her and still shines through in her work today. Gwen loves nothing more than sitting outside on a sunny day, listening to the stories and life lessons her residents share, or cooking homestyle meals that bring comfort to the residents.

When she's not working, Gwen's heart is with her family — especially her children, who inspire her to work hard and dream big, hoping they'll experience even more than she has. She's especially proud of her youngest daughter, who's set to graduate this year. When she has the chance, you'll find her camping, crafting, or sneaking in a little shopping. One day, she would love to cross Jamaica off her travel bucket list!

## Welcoming Others With an Open Heart

Villas resident, Bonita Wohlferd, better known as Bonnie, was born in Cadillac, Michigan, growing up in a small, farm-oriented community where she learned at a young age the value of hard work. Over the years she acted in her high school troupe, learned sign language and worked at the deaf and blind school in Phoenix, then later dedicated herself to helping others with home purchases while working in the mortgage industry. Bonnie married her beloved Roger, and together they shared 52 wonderful years of marriage filled with laughter and love, along with their daughter, Tia, and late son, Matthew. Their house was often alive with the sounds of friends, family, and rescued animals that they welcomed with open arms, proving Bonnie's heart always had room for one more.

Bonnie is a natural storyteller with a love for writing, and she also enjoys a little dancing and live music here in our neighborhood. To this day, you can find Bonnie outside on the patio here at the Villas, greeting neighbors and soaking up the sunshine, always ready to share a story and a smile.
