Employee Spotlight of the Month

For five years, Andrea Quintero has been a dedicated and compassionate caregiver at The Villas. Her journey in caregiving began much earlier—at a young age, she cared for family members in need, which inspired her to become a certified caregiver 15 years ago. Andrea has a deep passion for helping others, especially those living with Alzheimer's and dementia, and is known for going the extra mile—whether it's staying late to participate in activities or arriving early to make breakfast for residents.

When she's not at work, Andrea enjoys spending time at her family ranch, where she finds joy in horseback riding. She also loves to cook and is always eager to share her delicious desserts with residents and staff alike. Her favorite colors, pink and purple, reflect her warm and vibrant personality. Above all, Andrea is motivated by the love she has for her four children: Isaac, Israel, Aleck, and Caleb. We are grateful to have Andrea as part of The Villas family—her heart, dedication, and energy truly make a difference every day!

From the Classroom to the Outdoors

Villas resident Sandy Ellis is celebrating 19 years of marriage with her husband, Joseph, this month! These high school sweethearts once went separate ways while in college but reunited and married in 2006. A retired teacher and reading specialist, Sandy spent 39 years helping students succeed, especially those most at risk. She fondly remembers helping a struggling 5th grader reach his reading goals—a moment she still treasures.

Adventurous and full of life, Sandy once owned a 1976 Volkswagen camper van and traveled to all 50 states, creating a photo book she later shared with her students. Sandy was also a certified scuba diver, avid swimmer, and cruise lover who enjoyed hiking and tennis. She is still incredibly active and social within our neighborhood, and her warmth, energy, and love of learning have touched many—and continue to inspire those around her.
