## Employee Spotlight of the Month

Taneisha Burton is a dedicated caregiver whose heart for others has shaped her life and career. Born in Tucson and married for 19 years (together with her husband for an incredible 30), Taneisha is the proud mom of two daughters, Dayeesha and Daneesha, and the joyful grandmother of five. Taneisha has been part of the *Villas* neighborhood for over a year and previously served at our sister property for seven years. Her passion for caregiving began in childhood—raised around her grandparents, she cared for them until they passed. After a family tragedy at age 7, she also took on the responsibility of helping her father.

Those early experiences inspired her lifelong commitment to the healthcare field. When asked what drives her success, Taneisha says it's being genuine—both in her work and in how she treats others. Taneisha dreams of finishing her nursing degree and opening a home for displaced teenage girls. With her compassion, dedication, and vision, we know she will continue making a difference wherever she goes.

## Well Traveled and Well Loved

This month we are so delighted to feature our resident, June Elise Christensen, whose life has been filled with family, travel, and a love for nature. Born in Jamaica, New York, June raised three children—Jack, Jeff, and her late daughter Elise. June was married to her late husband, John, for 36 wonderful years after meeting him at work in Long Island. A devoted housewife until her late 40s, June then began a successful career in real estate.

She's an avid bird watcher, an excellent cook who studied home economics in college, and a talented baker. She's visited all of the national parks in the United States, enjoys long walks to stay fit, and loves chatting with neighbors. Her favorite color is blue, her favorite dessert is ice cream, and her favorite dish to make was lamb. Among her fondest memories are Thanksgiving celebrations at home surrounded by family. With her curious spirit and love for people, June is a cherished member of our community.
