Employee Spotlight of the Month

For the past six months, The Villas has been lucky to have Daneesha Haywood, a caregiver whose passion for helping others began early. After supporting her grandparents through illness and hospice as a teen, she felt called to caregiving and brings that same love and dedication to her residents today. Daneesha's favorite part of working at The Villas is the welcoming atmosphere. She enjoys listening to residents' stories, learning from their experiences, and helping them reconnect with the interests that make them who they are.

Outside of work, Daneesha loves doing makeup, exploring new scenery, learning history, and meditating. Her favorite color is orange, and she collects crystals and crystal bracelets. She enjoys cooking oxtails with rice, peas, and plantains, and unwinding with *Princess and the Frog* or *Law & Order: SVU*. If she could travel anywhere, she'd choose Greece or Brazil. Most of all, Daneesha is motivated by her children and her goal of building a better future for them. The Villas is grateful for her warmth, strength, and dedication.

January 2026

A Warm Heart in Our Neighborhood

Katie Ross brings energy and enthusiasm to our community, especially when it comes to staying busy and social. She has never been married and has no children, but she treasures the many friendships she's built and truly enjoys being part of group activities.

An avid reader and puzzle lover, Katie is always happy to challenge her mind. Her absolute favorite activity is BINGO, followed closely by coffee and donuts with friends. Tuesdays are especially meaningful to her—nail day is a weekly tradition she looks forward to, and it's just one of the many ways she enjoys connecting with others. Music is another constant in her life, often setting the tone for her day. Katie's favorite color is purple, and sushi tops her list of favorite foods. With her love of conversation, laughter, and participation, Katie adds warmth and joy to our community every day.
