## Employee Spotlight of the Month

María Hayes is a compassionate certified caregiver here at The Villas, whose dedication for helping others shines through in everything she does. She chose this path because of her deep desire to support those who cannot always advocate for themselves, and she finds purpose in being there for them each day. What María loves most about her work is seeing the direct impact of her care. She takes pride in being someone her residents can rely on, and nothing means more to her than knowing they feel safe, valued, and happy in her presence. She especially enjoys playing music with residents, because she says it brings comfort, joy, and a sense of connection. María also loves cooking, often preparing roasted chicken for lunch and sharing it with others. María says that the moments that mean the most to her are the simple ones, such as when a resident smiles, says thank you, or remembers her kindness. Those small gestures fuel her dedication and inspire her to continue giving her best every single day!

## Singing Melodies and Making Memories

At The Villas, Lucille Hammans has a way of making every day feel a little brighter. At 92 years young, she carries a lifetime of love and memories, always ready to share a smile or a story. Since arriving in May 2021, she's become a cherished part of the community. Lucille often talks about her late husband, Jack, and the beautiful family they built together, which includes their four children; Jack, Jim, Judy, and Joyce, who remain close to her heart. You can see that love in her eyes whenever she speaks of them.

Music plays an important role in Lucille's days. She loves to sing her favorite song, "Take Me Home," finding music as a special way to connect to others. She is very grounded and enjoys simple pleasures, especially a good Italian meal and anything in her favorite color, teal. Lucille's gentle spirit and joyful presence remind everyone at The Villas just how special each day can be.
